

Looking back

As we reflect on this winter season, we are filled with gratitude for the memories we've shared with your children at My Friends Pediatric Health Center.

Here's a quick look at our exciting events:

October- Trunk or Treat & Haunted House. We kicked off the season with a spooky Trunk or Treat and a

thrilling haunted house. The kids had a blast with costumes, candy, and fun surprises!

November- Thanksgiving Celebrations. The children enjoyed Thanks-

giving themed arts and crafts and a heartwarming home-cooked meal together. It was a time of gratitude and togetherness.

December- Santa & Spirit Week. Santa visited for pictures, and the kids enjoyed a festive gift exchange, cookies, and a fun Spirit Week to spread holiday cheer.

What's happening at My Friends

Spring and summer are just around the corner, and we have so many exciting events and activities planned for the kids!

Get ready for some fun water play, where the children will cool off and splash around in the sun. We'll also be heading to the zoo to see all the amazing animals and visiting the splash pad park for some outdoor water fun.

Our monthly music therapy sessions will continue, where the children can enjoy singing, dancing, and playing instruments to explore the joys of music.

Of course, we'll be spending plenty of time playing on the playground, climbing, sliding, and running around with friends. It's going to be a season full of adventure and smiles!

Meet Abelina

This month, we'd like to introduce Abelina, a bright and adventurous little girl who brings so much joy to our daycare! Abelina loves playing doctor with her favorite toy stethoscope, always ready to help others feel better with nature. She's a big fan of outdoor adventures and enjoys visiting the zoo to see all the animals and fish swim. Abelina has a special love for music and whether she's singing her favorite songs or chasing bubbles around, she's always having fun. At home, she has two playful dogs, Memo and Chapo, who are her best buddies. Abelina's cheerful spirit and imagination make her a wonderful friend to all!

Meet Destiny

Meet Destiny Wilson, RN, and Wonder Woman Mom to three! She is as patient as they come and a true gift to us all! Destiny has been with My Friends for three years. Her passion and desire to work with children runs deep, dating back to her youth.

Destiny enjoys exploring the personalities of our kiddos, learning various ways to communicate with them, and watching them grow! When Destiny isn't at the center, she enjoys spending time with her family, exploring the simple things in life through the eyes of her children, and cracking open a good book! She is a big Harry Potter fan and Disney connoisseur. Keep your eyes peeled... you might catch her on your next trip to Disneyland!
